

HIGH HOLY DAYS OF ISRAEL (God's Prophetic Calendar of Redemption)

—divinely ordained appointments with God, “appointed times” when God meets with His people, a holiday (móed) when God shows up!

The major Festivals (or feasts) in the Jewish New Year are when, in ancient times, the people were required to visit the temple in Jerusalem.

SPRING FEASTS – FIRST COMING OF THE LAMB OF GOD (JESUS/YESHUA)

PASSOVER (three feasts in one) 14, 15, 16 of Nisan (Mar – Apr)

1. **DEATH** - Passover Day recalls when the death angel passed over because of the blood of the lamb on the doorposts of Israelites in Egypt at Exodus. **14 Nisan**
2. **BURIAL** – Feast of Unleavened Bread – to commemorate the bread the Israelites took with them at the Exodus. **15 Nisan**
3. **RESURRECTION** – Feast of Firstfruits – Jesus conquered death and arose from the grave on this third day of Passover. He is the first from death and hell; believers in Him are those who will also be resurrected. **16 Nisan**

Feast of **PENTECOST** – 50 days after FirstFruits of Passover - Jesus sent Holy Spirit to take His place on planet Earth after His Resurrection for all who will receive. **6-7 Sivan** (May-June)

FALL FEASTS – SECOND COMING OF LION KING JESUS OF THE TRIBE OF JUDAH - (Sept-Oct)

1. **RAPTURE** – Feast of TRUMPETS (Rosh HaShanah) The Jewish New Year, **1 Tishrei**
The growing season is over and the HARVEST is in the barn. The previous month is the most important month in their year. It is spent in fasting, prayer and repentance to be prepared for Rosh HaShanah.
2. **WEDDING DAY** - Feast of YOM KIPPUR (Day of Atonement - At-one-ment) **10 Tishrei**
Considered the most solemn and important day in the biblical calendar. Sin was merely covered by blood of bulls and goats. The blood of Jesus Christ makes us **at one** with Him today. for He washed away sin forever, sending it as far as the east is from the west.
3. **MARRIAGE CELEBRATION & REST** – Feast of TABERNACLES (Sukkot) **15-21 Tishrei**
This seven days typifies the Messianic Kingdom when Israel will have God's rest and shalom/peace, a unique period that transcends nature for 1,000 years after the tribulation. Eternity follows when heavens' New Jerusalem comes to the new Earth (Revelation 21).
