

## **MAKING IT PERSONAL**

### **Jehovah-Rohi [The Lord My Shepherd]** (from the viewpoint of sheep)

Name your bondage, or one you have come through.

1. How were you not very smart in the matter?
2. How have you seen your Shepherd's 24-hour supervision for you during this time?
3. Have you or your family experienced your Shepherd's protection from the thief who would steal, kill, or destroy?
4. Can you say you are following the Good Shepherd? Are you able to hear His voice?
5. When have you strayed from the Lord's presence? What happened?
6. Have you ever experienced a time when you were like a "cast" sheep—totally unable to help yourself out of a situation? Describe it.
7. What rut have you dug for yourself that you need to get out of? [This may be the same answer as #6 above.]

Do you think your Shepherd would like to lead you out of this rut? Are you ready to surrender to Him, so He can lead you? If so, put it in writing here.
